This splendid farmhouse, located just steps from Monte San Savino, offers the perfect blend of countryside tranquility and convenient access to local amenities.

The property is spread over two levels and includes a guesthouse, storage building, and a lemon house.

The main farmhouse features a spacious ground floor with an entrance hall, kitchen, study, double living room, bathroom, and laundry room. This level also boasts two French doors that open directly to the outside, creating a seamless connection between indoor and outdoor spaces.

Upstairs, the sleeping area includes three bedrooms, one with an en-suite bathroom, an additional bathroom serving the other two bedrooms, a small storage room, and a cozy living area perfect for reading and relaxation.

The detached guesthouse, situated a short distance from the main farmhouse, is on a single level and consists of a living area with a kitchenette, a bedroom, and a bathroom.
