Description

Farm with beautiful panoramic view at the edge of a natural park, 2 separate flats, farmhouse with 780 m² gross, 3 outbuildings with a total of 110 m², pool, solar panels, modern ambience in traditional walls.

The farmhouse was completely restored in 2003/2004. For example, the roof was made with new chestnut beams and new insulation, solar panels and a contemporary heating system were installed.

On 780m², 2 separate flats were set up, which can also be reconnected to form one unit if required.

The ground floor flat has spacious living areas, study, two bedrooms and a large bathroom with tub and shower and access to the magnificent terrace with panoramic views.

The room height of up to 3.70 metres creates a unique living feeling.

The old stone staircase leads to the first floor to the other flat, where we find a large room with fireplace and kitchen, 4 bedrooms and two bathrooms.

By the pool is the beautiful barbecue area.

The property also offers an agricultural outbuilding with two floors, which is used for storage, as well as a stable and the technical house. Further living space can be created here.

This traditional farm is in excellent, modern condition.

More information and floor plans are available on request.
